A large, sprawling pile of trash dominates the background, stretching across the horizon. In the foreground, a close-up view shows a cluster of rotten, moldy fruit, including oranges and apples, lying on a dark, damp surface. The fruit is covered in a thick, white, fuzzy mold. The overall image conveys a sense of environmental waste and the scale of food waste.

A third cyclist is further down the path. The path is bordered by green grass and trees. A wooden fence runs along the right side of the path.
